Norwegian Fjords & North Cape Cruise

£1260
13 days

Enjoy a classic cruise through some of Europe's most spectacular scenery. Wake up as we sail gracefully through steep sided fjords and tumbling waterfalls or sit back and enjoy the wildlife which flourishes off Norway's coast. The highlight of this voyage is the North Cape, Europe's northernmost point located well inside the Arctic Circle. Along the way, this incredible journey will also take in the Sognefjord and Gerainger Fjord as well as the historic ports of Bergen and Stavanger. Make sure your camera is fully loaded as each day will present a whole host of new sights to experience and enjoy. This cruise departs just after the summer solstice meaning you will enjoy the unusual experience of almost 24 hour daylight while cruising in the fjords and the Arctic Circle.

Thank you!

Owen's Travelmaster would like to thank all our customers for your support and patronage over 2007. We have already recorded record numbers of passengers which is great news. Cancellations are also at a record breaking low. New for 2007 was the introduction of the customer questionnaire which has proved

very popular, we can assure everyone that they are always read with great interest and all comments are very inferential when booking hotels and producing our future brochures. We will shortly be releasing our 2008 summer Brochure which will hopefully match our customer's high expectations. The Owen's Travelmaster Reunion weekend in Torquay next January promises to be lots of fun with Two coaches travelling south, there are currently around ten places remaining so book quickly to avoid disappointment.

"Come talk to us..."

joined from Wem Travel and finally Amanda Lunt has been with us for the past 2 years.

The one thing that we all have in common is our passion for travel, and this enthusiasm and dedication is clear from the onset, there is nothing we like more than passing on our travel experiences to help you realise your next daydream.

Between us we have covered quite a lot of ground – so to speak – and we hopefully haven't finished yet! If you have ever dreamed of trekking the Great Wall of China or taking in the sights and sounds of Kuala Lumpur and the Far East, then come and talk to us. If you would like to ride elephants in Sri Lanka or take a desert safari in Dubai then come and talk to us. Ever imagined being in New York, Philadelphia, Washington or walking down Hollywood Boulevard or even incarcerated in Alcatraz after riding the cable cars of San Francisco? Come talk to us. Of course if the Caribbean is of interest to you or you've ever wondered what cruising is like then come and talk to us. We've skied down mountains and survived, we've seen the Pyramids and the Red Sea is almost our friend. Of course we love Disney both Paris and Florida, the Mediterranean and Europe have frequently been visited and our wanderlust continues. Australia, Turkey and

Jamaica are all about to come under our scrutiny.

Our travel aside, we have compiled endless itineraries to every corner of the world and as you can imagine, with our fixation, quite often we feel as though we've been there ourselves. One of our staff recently married in the Caribbean and another is planning her wedding in Cyprus, if this is something you have ever contemplated then please...come and talk to us. We recently participated in a Wedding Fayre at the new Macdonald Hill Valley Hotel on 21st October which was a real success. We will be happy to discuss the possibility of weddings abroad, you can now get married almost anywhere! If that's not your intention we can help you plan your pre-wedding celebrations, (otherwise known as Stag & Hen Dos)! Not forgetting the all important Honeymoons. I know... COME TALK TO US.

Hopefully we have whetted your travel appetite with the above but if you do not want to travel so far then naturally we can also arrange your holiday closer to home with a variety of products from Parks and Lodges to Hotel breaks by the seaside or in the cities, from 3 star to Deluxe.

Please come and talk to us, whatever your travel requirements, we look forward to seeing you soon.

We moved to our present prime location at the foot of the High Street, approximately 12 years ago, when Mike Owen bought the Agency. Step inside and you will spoil for choice by the vast assortment of brochures on display, from weekend breaks in the UK to Round-the-World trips we pride ourselves on ensuring that YOU get the holiday that is exactly right for YOU.

Together we have over 60 years travel experience. Our two managers, Vanessa Bird and Karen Jones, have both been with this company for ten years or more. Dee Ankers

This holiday is not so much a cruise as a tour around the British Isles without any long hours on board a coach. Each night you will go to sleep in your luxury, floating hotel and wake up in a new destination with fabulous sites to discover. Our shores are warmed by the Gulf Stream and along the way we will go ashore to visit some of the magnificent gardens which have blossomed as a result. The route also allows us to cross the water and visit Ireland, the Netherlands, France and Belgium. Cruising has become really popular in recent years with the size of ships and levels of comfort going up and prices coming down. That said, the cost of shore excursions can often inflate the real price you pay but on this holiday, ALL the excursions on the itinerary below are INCLUDED in the price. This really is a unique concept in coach touring and with only one date available in 2008, it is bound to prove popular.

What's in a Name?

As we come to end of 2007 Owen's Coaches & Travelmaster Holidays is to be rebranded, as of 2008 the Company will known as Owen's Travelmaster. Why? you may ask.

Owen's Coaches have now been operating for 35yrs and are very well known throughout Shropshire, Mid Wales and the Coach industry for having a modern high quality Coach Fleet.

Travelmaster came to the high street 20yrs ago and once again is a very strong brand, and in Oswestry is immediately associated with Owen's

Coaches. But as a whole its a different story in Newtown, Welshpool & Whitchurch where Travelmaster is solely seen as a High Quality and Friendly Travel Agent with very little reference or association to Owen's Coaches, as a result we feel we are potentially missing a large opportunity when it comes to coach hire enquires and coach holiday market as the public see the brands as two completely separate companies.

As a result we have decided to rebrand and join the two together in the name of Owen's Travelmaster, the main difference on the High Street will be in the signage above our four travel agents as they will all now carry the Owen's coaches red white and blue style logo which we feel will tie up the two brands and send out one clear message.
